

PRIVACY POLICIES

This is the Privacy Policy of afonete (hereinafter referred to as , "we," "us" or "our" or company). Our Privacy Policy explains how we collect, use, share and protect personal information as well as your related choices regarding use, access, and correction. We process personal data in a manner that is in accordance with the General Data Protection Regulation. We may update this policy from time to time by publishing on our website. Responsible for data processing company is responsible for the processing of your personal data with respect to the use of our website, purchase of services and/or products and the conclusion of Affiliate agreements (as defined hereafter) as shown in this Privacy Policy. Contact details: To exercise your rights or for any questions regarding the use, collection, or processing of your personal information, please contact our Data Protection Officer at privacy@afonete.com What kind of information do we collect? We collect the following information you provide us with directly during the order process or registration process: - Your username, password and e-mail address when you register for an afonete account; - Your first and last name - Country of residence - Date of Birth - Financial data, including credit card / bank details - Profile information that you provide for your user profile such as your phone number; - Personal details you choose to give when corresponding with us by phone, email or other communication methods between you and company or otherwise visiting and interacting with our website. If you register with us as an Affiliate (e.g., as an individual or business entity that enters into an Affiliate Agreement with us for the promotion , using and sale of afonete services and/or products and/or opportunities, hereinafter "Affiliate") we will process the following additional personal data from you: - business name - business address - telephone number - country of residence, - IP address, Privacy Policy - one or more of the following: cryptocurrency wallet addresses, company registration number, Personal identity card number, tax identity number, social security number, a scanned copy of your passport, driver's license or personal identity card. How do we use this information? Your personal data will be processed by us only for the following purposes: Execute our agreement with you - to communicate with you by email, phone, or other communication methods - for the provision of our services and products - for calculations and traceability of your compensation - for processing (compensation) payments - bills and other payment-related documentation - credit control - for creating and maintaining an account - the processing and fulfilment of orders Processing payment After you place an order on our website you will need to make payment for the services or products you have ordered. To process your payment, you may have to provide financial information such as credit card numbers, expiration dates and security codes. This information is not processed or stored by our service, and it is only sent directly from you to a third-party payment processor over an encrypted connection. Your payment will be processed by Stripe in accordance with their privacy policies. Please see Stripe's privacy policy for information about how they handle your data. Wallet address information When you create an afonete Affiliate account, you may be asked to provide your such information. Under no circumstances do we ever collect an unencrypted private key from you. Account If you want to use our services or order a product from us, we ask you to register a personal account. We process your username, password, and email address to register your account. We also store this information so that you can log in easily every time. We display this information in your account so that you can adjust this information yourself. We also use your e-mail address for support, for example if you want to create a new password, we will send you an e-mail with which you can reset your password. If you access certain

parts of our website with a password, you are responsible for the confidentiality of this password. We ask you not to share your password with others. Validation, verification, and automated decision-making If you have signed up as an Affiliate, we may ask you to validate your identity and address online as part of the "Know Your Customer" ("KYC") procedure. The images that you make of your passport, driving license or national identity card or other identification documents specific for certain countries as requested and the profile you create are processed for the purpose of validation. The data necessary for validation is abstracted, the images are compared using a combination of "facial biometric system" and where applicable manually by real people. It is only possible to make use of online validation if you give your explicit consent. Company engages third party service providers for identity verification purposes. For that purpose, the personal data needed for the check (surname, first name, date of birth, address, and copies of your passport, driving license, national identity card and other identification documents) is passed on to the relevant third party. company itself does not store, hold, process, or access identity verification information. Company reserves the right to reject activation of an Affiliate account if the Privacy Policy result of identity verification is negative and the right to carry out a regular check on the validity of your identity.

Request to delete personal information or account

You can ask for the deletion of your personal information or account. If you ask us to delete your personal information, we will respect your request and delete your personal information, subject to certain exceptions provided by law, such as (but not limited to) the exercise by another consumer of his or her right to free speech, our compliance requirements resulting from a legal obligation or any processing that may be required to protect against illegal activities. To do so please reach out to us at support@afonete.com

Information we collect

We only collect information that you voluntarily provide to us when you use our services, when you register on the our website when you contact us for information or when you express your interest in obtaining communications from us.

If you contact us directly, we may receive additional information about you such as your name, email address, phone number, the contents of the message and/or attachments you may send us, and any other information you may choose to provide. Similarly, when you register for an Account, we may ask for your contact information, including items such as name, company name, address, email address, and telephone number etc .

Social Media Login Data:

Since we provide you with the option to register with us using your social media accounts, like your Facebook, Twitter or other social media accounts, if you choose to register in this way, we will receive certain profile information about you from your social media provider. The profile information we receive may vary depending on the social media provider concerned, but will often include your name,

email address, friends list, profile picture as well as other information you choose to make public on such social media platform.

We will use the information we receive only for the purposes that are described in this privacy notice or that are otherwise made clear to you on the relevant Services. Please note that we do not control, and are not responsible for, other uses of your personal information by your third-party social media provider. We recommend that you review their privacy notice to understand how they collect, use and share your personal information, and how you can set your privacy preferences on their sites.

How do we keep your information safe?

We have implemented appropriate technical and organizational security measures designed to protect the security of any personal information we process. However, despite our safeguards and efforts to secure your information, no electronic transmission over the Internet or information storage technology can be guaranteed to be 100% secure, so we cannot promise or guarantee that hackers, cybercriminals, or other unauthorized third parties will not be able to defeat our security, and improperly collect, access, steal, or modify your information. Although we will do our best to protect your personal information, transmission of personal information to and from our Services is at your own risk. You should only access the Services within a secure environment.

Children's Information

Another part of our priority is adding protection for children while using the internet. We encourage parents and guardians to observe, participate in, and/or monitor and guide their online activity.

afonete does not knowingly collect any Personal Identifiable Information from children under the age of 13. If you think that your child provided this kind of information on our website, we strongly encourage you to contact us immediately and we will do our best efforts to promptly remove such information from our records.

We do not intent to address to children (under 13 in the US, under 16 for EU residents, or other age as required by local law) ("Children"). We do not knowingly collect personally identifiable information from Children. If you are a parent or guardian and you are aware that your Children has provided us with personal information, please contact us. If we become aware that we have collected personal Privacy

Policy company information from a child under the age of 18 (or the applicable age in their territory) without verification of parental consent, we take steps to remove that information from our servers. Changes to this privacy policy We may modify or update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page. How to contact us If you have any questions about this Privacy Policy of the Service Data Protection Officer at [policy@gmail.com/](mailto:policy@gmail.com) policy@afonete.com

How long do we keep your information?

We will only keep your personal information for as long as it is necessary for the purposes set out in this privacy notice, unless a longer retention period is required or permitted by law (such as tax, accounting or other legal requirements). No purpose in this notice will require us to keep your personal information for longer than three (3) months past the termination of the user's account.

When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymize such information, or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely store your personal information and isolate it from any further processing until deletion is possible.
